Re: APPLICATION FOR PUBLIC HEARING AND
NOTICE OF CONFERENCE.

Alliance Zone, Reservoir A, SOUTHEAST
GUEYDAN FIELD, Vermilion Parish, Louisiana.

Dear Sir:

SANDALWOOD EXPLORATION, L.P. ("Applicant"), hereby respectfully applies for a public hearing to consider evidence relative to the issuance of an Order pertaining to the following matters relating to the Alliance Zone, Reservoir A, in the Southeast Gueydan Field, Vermilion Parish, Louisiana:

1. To establish rules and regulations governing the exploration for and production of gas and condensate from the Alliance Zone, Reservoir A.
2. To create a single drilling and production unit for the Alliance Zone, Reservoir A, such unit being shown on the attached plat and being designated ALL RA SUA.
3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit in accordance with Section 10, Title 30, of the Louisiana Revised Statutes of 1950, with each separate tract sharing in unit production on a surface acreage basis of participation.
4. To approve the drilling of the unit well for the proposed unit at the location shown on the attached plat, in exception to the spacing provisions of Statewide Order No. 29-E.
5. To provide that future wells drilled to the Alliance Zone outside of the unit proposed herein be located in accordance with the spacing provisions of Statewide Order No. 29-E.
6. To provide that the Commissioner of Conservation may reclassify the Alliance Zone, Reservoir A, by Supplemental Order and without the necessity of a public hearing should such a reclassification be warranted based on evidence furnished to the Commissioner.

7. To define the Alliance Zone, Reservoir A, as the stratigraphic equivalent of that gas and condensate bearing interval encountered between the measured depths of 10,490 feet and 10,850 feet in the Texas Gas Exploration Co.--Southwest La. Land Co. No. 1 Well, located in Section 4, Township 12 South, Range 1 West, Vermilion Parish, Louisiana.

8. To consider such other matters as may be pertinent to this zone and reservoir.

Pertinent data concerning this application is available for inspection at the offices of Leon E. Comeaux & Associates, 305 La Rue France, Lafayette, Louisiana 70505. Any person wishing to inspect such data should call Mr. David Comeaux at (337) 233-9839 during normal business hours in order to arrange a date and time for such inspection. A copy of any such pertinent data which is not otherwise available from the records of the Louisiana Office of Conservation can be obtained from Applicant at the expense of the requesting party.

By letter dated May 24, 2007, Applicant gave notice, in accordance with the Revised Rules of Procedure, of its intention to apply for a public hearing concerning these matters and a pre-application conference with respect to Applicant's proposals was thereafter held beginning at 10:00 o'clock a.m. on June 15, 2007, in Lafayette, Louisiana. Attached is a list of the names and addresses of those persons present at the conference.

The purpose of the conference was explained by the undersigned, following which Mr. David Comeaux presented the geological, engineering and other bases for Applicant's proposals by sufficient data and detail for those present at the conference to have a reasonable opportunity to discuss the proposals and attempt to resolve any differences in good faith. Following Applicant's presentation, there was a general question and answer period concerning the proposals of Applicant. After the presentation by Applicant, Mr. Holmes Smart (on behalf of David Sturlese), representing the Miller et al. interests, and Mr. Travis Helms, representing Pastures, L.L.C., presented counterplans to expand the proposed unit to include additional acreage. Following presentation of each counterplan, additional questions were asked and answered, following which the conference was adjourned with no resolution of the differences. Accordingly, there may be opposition presented at the hearing to the proposals of Applicant as outlined above.

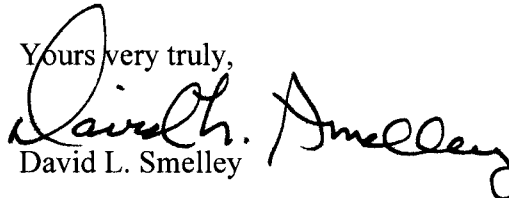

Attached hereto is a plat outlining the one (1) drilling and production unit which Applicant proposes to create. Due to an error in mapping as to the southwesterly portion of the unit shown on the plat attached to the pre-application notice, Applicant has revised its proposed unit slightly, and the revised unit is shown on the attached plat. As a result of this change in the proposed unit, notice is hereby given that a second conference with respect to Applicant's proposals will be held beginning at 10:00 a.m. on August 10, 2007, at the Petroleum Club of Lafayette, 111 Heyman Boulevard, Lafayette, Louisiana. There is no requirement that any person receiving this notice attend the conference. This is merely an invitation to attend and participate if a person so desires.

Honorable James H. Welsh

Also attached hereto is a list of the names and addresses of all Interested Owners, Represented Parties and Interested Parties to whom a copy of this application and notice of conference is being sent. Pursuant to the Revised Rules of Procedure, such list is being forwarded only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. A copy of the list will be furnished by the undersigned to any party so requesting. A reasonable effort was made to obtain a complete list of Interested Owners, Represented Parties and Interested Parties.

Applicant will provide for posting of a copy of the Legal Notice of this hearing and the enclosed plat at a prominent place in the area affected and will cause publication of the Legal Notice in a newspaper published in the general area of Southeast Gueydan Field, all in accordance with the Revised Rules of Procedure. Furthermore, a copy of the Legal Notice will be mailed to all Interested Owners, Represented Parties and Interested Parties promptly upon receipt of the Legal Notice from the Commissioner.

Finally, we enclose our check payable to the Office of Conservation for the application fee.

Yours very truly,

David L. Smelley

-- Attorney for Sandalwood Exploration, L.P.
